section 1 – term deposit details.

Account number

Name(s) of account holder(s)

section 2 – change of maturity instructions.

- To change your maturity instructions we'll need to receive this form at least **two business days** prior to maturity.
- If you miss the **two business days** cut-off, any changes within the seven day cooling-off period will require this term deposit to be closed and a new one created, if applicable.
- No Early Withdrawal Interest Adjustment will be applied if you contact us to withdraw funds within seven days (cooling-off period) after reinvesting your term deposit.
- If all or part of your investment is to be paid out on a weekend or non-business day, generally we will transfer the funds to your nominated account by the next business day. If your nominated account is with another financial institution, you may experience an additional delay before the amount becomes available to you.

section 2a – what would you like to happen at maturity?

principal amount and interest

Reinvest principal amount and interest (if all interest is paid at maturity) for a new term of years **or** months **or** days

principal amount only (your accrued interest will be paid to your nominated account)

adding to your term deposit

Reinvest principal amount and interest (if all interest is paid at maturity); PLUS an extra amount of \$ from my nominated account for a new term of years **or** months **or** days.

partial reinvestment

Reinvest \$ for a new term of years **or** months **or** days and have the balance paid to my nominated account

close term deposit (the principal and any interest will be paid to your nominated account)

Close my term deposit

section 2b – select your interest payment frequency.

Please select one of the following options:

- At maturity only (for terms 1 year or less) Six monthly and at maturity Monthly and at maturity
- Yearly and at maturity Quarterly and at maturity

Please note:

- If your maturity instruction is to reinvest all or part of your Term Deposit, it will be reinvested at the interest rate applicable on the maturity date for a deposit of that term and amount with that interest payment frequency.
- If your interest is paid to you periodically, we won't be able to reinvest the interest at maturity.
- If you are reinvesting and don't specify a new term, your Term Deposit will be reinvested for the same term as your current Term Deposit. The interest rate on reinvestment may be higher or lower than your current rate.
- The minimum term is one month and the maximum term is five years. For the purpose of nominating a term, a month is a calendar month.
- If you are reinvesting and do not select an Interest Payment Frequency option, your interest will be paid with the same interest payment frequency as your current Term Deposit.
- You can only select an Interest Payment Frequency where the payment will occur within or at the completion of the term.
- At maturity, interest will be paid to your nominated account unless you've chosen otherwise.
